FROM OUR PRINCIPAL

WELCOME BACK

We have commenced the year with a total enrolment of 471.6, including approximately 22 Flexible Learning Options (FLO) students. This compares with 482 at the beginning of 2015.

I would particularly like to welcome new students and their families to our school. We have 95 students commencing Year 8 and a small number of new students across years 9-12.

As I've visited a number of classes this week I have been pleased to see students demonstrating a very positive attitude about the year ahead. Most students return to school with the desire to do well and succeed. It is our job as teachers and parents to help them to keep focussed on their goals throughout the year - even when the assessment tasks become more challenging and the novelty of the beginning of the year wears off.

PLEASING YEAR 12 RESULTS

Congratulations to the following fifty eight students who successfully completed their South Australian Certificate of Education (SACE) at our school in 2015:

Over 95% of students enrolled in a full complement of subjects completed their SACE.
Thirty two students were eligible for an Australian Tertiary Admissions Rank (ATAR) with Elise Prior (right) (98.70) being the highest and thus DUX of the school. Elise was also the recipient of one of twenty six Governor's Commendations awarded across South Australia and gained two merits for English Communications and Research Project.

Other students achieving ATARs in the 90s (top 10% of the state) were Emily Hampel, Bailey McQuillan and Samantha James. Another five students gained ATARs in the 80's (top 20% of the state). Well done to Tori Russell, Lisa Daniel, Kristyn Beck, Lacey Mellors and Georgia Thompson.

97.2% of results were at A, B or C level.

I would once again like to acknowledge the tremendous efforts of teaching and support staff who worked with students last year to achieve these results. Beyond the scheduled classes, many teachers offered out of class tuition, holiday seminars and supported out of class Day Map contact.

TERTIARY OFFERS

The majority of our students gained their first preference when the first round of university and TAFE offers were released several weeks ago.

Sound Year 12 results meant that students were successful in obtaining offers for courses with high ATAR cut-offs.

Students have been offered places at interstate universities as well as all three South Australian universities and cover a range of courses including psychology, psychological science, criminology, business and event management, media arts, journalism and professional writing, science, just to name a few.

STAFFING NEWS

We welcome the following new members of staff this year:

- Andrew Healy - Physical Education and Mathematics
- Glenys Morison - Home Economics and History
- Alex Glen - English
- Julie Martin - Community Studies and Research Project
- George Laughton - Aboriginal Community Education Officer

There have also been some changes in responsibilities this year with Tracy Warner appointed as Senior School Senior Leader. Part of Tracy’s brief is to develop a strong senior school culture.

We also have several staff who married over the holidays and have changed their names. Welcome back to:

- Madeleine Hart - formerly Rugari
- Penny Chancellor - formerly Hanks

ANNUAL GENERAL MEETING OF PARENTS

Please consider attending the AGM of parents on Monday, February 29 at 7:30pm. The main purposes of the evening are to report on the ‘health’ of the
Students who will be seeking work experience during 2016 are encouraged to begin the process now to secure their placements. The process involves students collecting the appropriate Workplace Learning Agreement form from either Mrs Penny Chancellor, Flexible Pathways Coordinator or Mrs Ann Richardson, VET administration, and then contacting prospective employers about possible placement.

Work Experience Block dates for Year 10 and 11 students are as follows:

**Year 11**
- Term 2 Week 9
- 27 June - 1 July

**Year 10**
- Term 3 Week 4
- 15 August - 19 August

- Year 11 students have the option of undertaking Australian Business Week (information about this programme will be provided in due course) or work experience during the above block time.

- All Year 10 students must complete work experience to meet the Personal Learning Plan requirements.

- Students undertaking Vocational Education and Training (VET) courses must complete the required nominal hours for their course.

Students may also undertake work experience outside of school hours, including the school holidays, but must have an agreement in place for insurance cover.

The original, completed agreement forms that are signed by the employer, student and parent/caregiver, must be return to Mrs Ann Richardson one week in advance of the placement to allow sufficient time for school processing.

Further information or support is available, if required.
Welcome back to a new school year. I am Lee-Anne Cummins and I am the School Counsellor. Last year, I was in this role in a temporary placement, but have now won the position for the next five years and am looking forward to building on existing relationships as well as establishing new ones to support students and families in a huge range of well being issues.

Please do not hesitate to contact me at school to discuss any issues your child may be experiencing or to share relevant information that will enable the school and teachers to maximize their learning opportunities. Also encourage your child to seek support sooner rather than later if there is a problem.

Other members of the well being support team include Tony Cameron, Felyka Leske (PCW) and the relevant year level manager.

8 tips to improve wellbeing

- Exercise - it releases endorphins which can improve your mood
- Realise that it is OK to not be OK
- Never let pride prevent you asking for help
- Hang out with positive people
- Appreciate the simple things
- Make time to have fun
- Focus on the things you can change instead of the things you can’t
- Stay connected—talk to others to see how they are or let them know if not feeling crash hot

EXPECT THE BEST TO SUPPORT SUCCESS

Setting high expectations for your child is a key to their success in school. Set the tone for a great year by letting your child know what you expect of them and helping them to see what they can expect from themselves. Strategies that can assist with this are:

- Be realistic - match expectations to abilities and interests
- Be clear and talk regularly about the expectations
- Be supportive and encouraging
- Establish routines to assist with organization and time management
- Ensure your child gets adequate sleep.

Health and Immunisation Management Services, in conjunction with the Light Regional Council, will again be conducting the School Immunisation Programme, this year.

**Immunisation Session 1**

KHS will be facilitating the first immunisation session for the year on **Tuesday, 15 March**.

Often, students feel anxious about having the immunisation and it is important to discuss this event with your child to help alleviate unnecessary fear.

It has been noted that some adults refer to the immunisation as ‘getting stabbed’ or ‘getting your needles’ - this leads to unimaginable horror to some children and is quite unhelpful.

Some may remain ‘wobbly’ at the prospect or may have had an adverse affect, previously. Parents may therefore, wish to support their child by attending an early session from 8:40am - 9:00am on the day. Please advise Ann Richardson at the school if you would like to do so.

Anxious students can also attend this early session on their own to avoid waiting with their class groups.

Students are encouraged to have the immunisation when their parents have given consent, however, they are never forced. If a student is unwilling, parents will be contacted later by the programme nurse.

**Information Session**

In an effort to provide information and alleviate anxiety that some students may feel, a representative from Health and Immunisation Management Services (conducting the Immunisation Programme at our school), are providing an Information Session for Year 8 students on **Friday, 4 March (Week 5)** at 9:00am. Parents/caregivers are also welcome to attend (please register your attendance at the school Reception office).

The session will offer information about the immunisations and the procedure on the day; and aims to answer any questions our students may have.

With the information given and the opportunity to ask questions, it is hoped that students will feel more comfortable about what to expect during the Immunisation Sessions.

**Consent Forms**

Please return the consent forms as soon as possible (sent home with students this week), regardless of consents given.

---

**Influenza Vaccinations**

Influenza Vaccinations will also be available at the second session (23 June) this year for senior students.

Consent forms, available from KHS Reception office, are to be returned on the day with payment ($20).

**STUDENT SUCCESS**

Year 10 student, Isaac Petz participated in a State competition for in-line skating during the holidays with fantastic results.

Travelling to Sydney with his family and team, SkateFX, Isaac competed in the Under 17 team for outdoor and Under 16 team for indoor events.

Izaac competed in numerous events and gained silver medals in the 100m, 1 lapper, 1 km, 3 km and 5 km races. He went on to win gold in the 5 km race. Of particular note, is Izaac’s gold medal win in a gruelling 21 kilometre marathon, completed in 41 minutes 33 seconds, in challenging conditions with considerable rain and on a slippery track.

KHS congratulates Isaac on his success, winning two gold medals and five silver overall.

For those of you who may have forgotten, I haven’t had the pleasure to meet or for those new to the school, I am Felyka Leske and I am the Pastoral Care Worker at Kapunda High School. My role is to support the school, including staff, students and their families. I attend the school on Mondays and Tuesdays and am here for any needs, concerns or support you may require.

I would like to extend a great big welcome to all. Another year is a new start, a new chance to make more friends and an opportunity to learn more about yourself and the world around you.

In order to start the year, one needed to end. It feels like a blink of an eye when I was saying goodbye to the students for 2015. Since then, everyone has been on holidays with Christmas and New Year celebrations as well as time with family, friends and time away.

To think school is already back, shows how the weeks have flown by. However, for some of you, these seven weeks may have involved some hurt, family conflict, bereavement, financial stress or tragedy. Something like the loss of pet, illness or sibling conflicts could have affected you or your family members during this time. For those of you who haven’t enjoyed your holidays or have experienced hardship you may still be affected, even as school begins.

Please feel free to contact the school and ask to speak to me or leave a message, should you or your child benefit from having someone to talk to or you think that your child’s learning may be affected.

I offer a number of options to further support the families of our school community, such as seminars or workshops to assist with parenting teenagers or balancing life, financial support or service resources or even providing a place for parents to meet and connect. I welcome any other ideas you may have, too.

Looking forward to a great 2016 and don’t forget I am here for you!

GOVERNING SCHOOL COUNCIL NOMINATION FORM

KAPUNDA HIGH SCHOOL

Nomination for Election Form

I ____________________________ nominate to be elected as a member of Kapunda High School Governing Council.

In doing so I declare that:

• I have not been declared bankrupt and do not receive a benefit of a law for the relief of insolvent debtors.

• I have not been convicted of any offence of dishonesty, or of a sexual nature involving a minor, or of violence against a person.

I understand that should I be declared bankrupt, receive a benefit of law for the relief of insolvent debtors or be convicted of any of the offences listed, my membership of Kapunda High School Governing Council will cease.

GOVERNING COUNCIL AGM

Kapunda High School Centenary Foundation Scholarship and Education Grant 2015 Award Evening

is to be held on
Tuesday, February 11
at Kapunda High School
Front Lawn of Eringa
6:30 pm - 8:00 pm.
Come along and support our successful senior students.

Have you ever wondered why a decision was made about a certain issue at school? Do you ever think there could be a better way of doing things? Have you considered joining Governing Council and being part of the decision-making process?

There are a number of parent vacancies on Governing Council for 2016 and we strongly encourage you to think about nominating. There is a nomination form below.

The Governing Council meets generally on the final Monday of the month - excluding school holidays. Meetings commence at 7:30pm and are generally two hours in duration.

The Governing Council shares responsibility with the Principal for setting the strategic directions of the school and contributes to policy development. Being a councillor is a good opportunity to contribute and shape the direction of the school.

The Annual General Meeting will be held on Monday, February 29. Even if you don’t feel you can commit to being on Governing Council, you are most welcome at this meeting. Rest assured, there will be no pressure to join Governing Council. At this meeting, we will formally present the Annual Report and the school's financial report.

Providing Information & Gaining Consent

Students driving or riding vehicles to and from school must complete an Information/Consent Form, available from the school Reception office. If circumstances change, the school must be notified.

Students must not transport other students as passengers without the knowledge of the Principal and a written consent from the parents of both driver and passengers. Students bringing their vehicles to school must have a note from their parents notifying the school of this arrangement. A permit is then issued.

Parking Areas

Students have access to public street parking on Hawke Street (at rear of school) and on High Street (opposite entrance of the school). Parking along West Terrace, directly in front of the fence line of the school, is by local council permit only and therefore not available to students. The opposite side of the road is an area for ‘drop off’ and ‘pick up’ during school hours only.

It is expected that students obey the road rules with regard to parking near neighbouring residents’ driveways and also show consideration to areas where their refuse collection takes place.

Parking on school grounds is generally not permitted.

Disability parking is available just inside the main entrance, to the left.

Caution

The beginning and end of the school day is a busy time, particularly on West Terrace and drivers are urged to drive with caution at the limited speed of 25 km/hr in the school zone.

Any accidents must be reported to the police and also the Principal. The Bus Coordinator is on hand in the bus parking area at the beginning and end of the school day and support can be sought, if required.

Incidents of vandalism may be reported to the police, and the Principal should be alerted to the situation.

How do I order my lunch from the canteen?

Lunch orders can be made at the serving window of the canteen from 8:30am - 8:50am.

Your lunch can be collected at the window during lunch time.
Former KHS student, Daniel Sutherland (2012), exhibited a large body of artwork at the recent RAW Adelaide event, held at The Producers on Grenfell Street, Adelaide on Friday, 29 January.

RAW, an international organisation operating in over 60 cities across the US, Australia, Canada and the UK, provides hand-picked independent artists within the first 10 years of their creative career with the tools, resources and exposure needed to inspire and cultivate creativity. RAW events then provide an opportunity for artists to showcase their talents.

KHS SSO, Emily Ritchie and Art teacher, Stuart Hoerish were among the crowd, supporting Daniel.

‘Daniel has come a long way in his painting since leaving KHS in 2012. His minimalist compositions reflect a maturity of character and his sensitivity of technique is engaging.’ So impressed was Mr Hoerisch that he simply had to purchase a piece.

Well done, Daniel. Good luck in your artistic pursuits.

Devon Clothing are the suppliers of most of our school uniform items and offer an online ordering service via website: http://onlineshop.devonclothing.com.au/khs

KHS reception staff are able to assist in this process, if required and the school has a full size range of all items to assist in fitting. Contact the school for further information.

Dear Parent/Caregiver

Welcome to the 2016 school year. I hope this year will be a successful one for you and your family.

This year teachers at your school will be working with your son or daughter to help your teenager learn and make as much progress as possible. Your school will be keen to work alongside you to ensure that your son or daughter is successful academically, socially and developmentally.

Every day at school matters for this development so it’s really important that your teenager is attending school to get the most out of their education.

While we all know it’s important, it isn’t always easy to support teenagers with their schoolwork. On the back of this letter are some ideas and resources I have found helpful to date with my kids, or have been recommended to me by other parents. I hope they are useful for you.

Schools welcome your involvement in your child's education, and if you have any questions, please ask them. As you know, kids learn best when parents/caregivers and schools work together.

If you are able, I encourage you to get involved in your child’s school - whether it is through the governing council or volunteering at school events. To make it easier for you to volunteer, the government has recently made some changes to the screening clearance process if you volunteer to support your child at school. Please contact your school if you would like further information in relation to these changes, or visit the website at www.decd.sa.gov.au.

I am proud of the high quality education that we provide in our schools. A strength of our public schools is our community involvement, and working together we can continue to make your school even better.

Yours sincerely

Susan Close
Minister for Education and Child Development

Simple things you can do to support your son or daughter:

- Talk to them about current affairs and ask them how it links to their learning at school
- Talk positively about science and mathematics and encourage them to ask for help if they need it
- Read the same book as them so you can discuss the story, themes and characters together
- Encourage them to share their creative projects with you
- Provide a comfortable space at home for them to do homework and support them to complete it on time
- Encourage them to use their diary effectively to manage their time and stay on top of deadlines

On days of forecast catastrophic fire danger rating for the Mid-North district:

- Kapunda High School will remain open.
- All school bus routes travelling to Kapunda High School will be cancelled.
- Parents/caregivers of students who travel on school buses will be contacted via an SMS message to their mobile phone or a direct call to their landline (where a mobile has not been given to the school). This will generally occur the night before.
- Kapunda High School will additionally 'broadcast' using Facebook and the website www.kapundahs.sa.edu.au to remind families of bushfire procedures.

If a bushfire is reported in the area during the day:

- Affected bus runs will not leave the school until the roads are declared safe by emergency services authorities.
- Parents/caregivers will be notified and students will be supervised at school until buses can run, or until parents/caregivers are able to collect their children.

If during a bus run, the bus driver sights a bushfire and there is concern that it may affect the routes ahead, then the bus driver:

- Has the authority to abandon the bus run and return to school, or
- If safer to do so, drive to one of the pre-planned emergency areas (or CFS safer places) and activate the emergency bus procedure.

To support student safety, parents/caregivers are requested to:

- Ensure that Kapunda High School is informed of any changes to phone numbers
- Follow weather announcements through the media.
Parents/caregivers at our school are informed by mobile phone Short Message Service (SMS) each time their child is away from school.

At Kapunda High School, student attendance and safety is a high priority.

We know that students who attend regularly are more likely to be successful and safe at school. To support this, we inform parents/caregivers about any unexplained absences for their child.

The school expects parents/caregivers to contact the school in advance if they know their child is to be absent.

An SMS text message is sent to the mobile phones of parents explaining that our records show that your child is absent from school. The message will read as

Kapunda HS records show JANE JONES is absent 29 January. Please reply with Student Name, reason & date or Phone 85662203

Parents can then reply by pressing the reply option on your mobile phone when you receive a message from the school and add your son or daughter’s name, year, date of absence and the reason they are absent or late.

e.g. Steven Scott, Year 11 was sick yesterday (Tuesday 15 November)  
    Text version = ‘Steven S yr11 sick Tues 15 Nov’ 
    OR by phoning the school office or sending a note explaining the absence.

These phone numbers should not be used to send messages or contact the school at other times as this system works on a one on one reply basis from randomly generated phone numbers (e.g. absence messages from different days may appear from a different number) and any subsequent messaging may not be seen by the school.

VISITORS TO KHS
Visitors to the school are reminded to sign in at Reception on arrival.
It is an important process. (Our school staff and students need to be able to easily identify visitors to the school or indeed, intruders.)

It should also be noted that visitors are not permitted to attend the school for the purpose of socializing with students during the school day.
