Subject Selection Process
### View Instructions
1. If a subject is important for you, then select it before any less important subjects.
2. The number of classes to be run in a subject will depend upon the number of students who select that subject in their preferences.
3. If the school decides not to run a subject that you have selected, then it may be replaced by one of your reserve subjects.

WHAT HAPPENS NOW?

- Subject selections are made at all year levels
- Timetable is generated and classes created, based on all students’ choices.
- Not all subjects will ‘run’ in the following year. The final offering will include those subjects that were chosen by sufficient students to create a viable class. A review of choices may also be necessary in Term 4, depending on student achievement.
- The final timetable is generated with fixed subjects on lines and students are given timetables by the end of the year.
- If there are any issues when you receive your timetable, please contact the school.
