

Casual Employment at

Barossa Enterprises is a Disability Employment Workplace, providing meaningful employment for people with disability. Working mainly with wineries across the state, we manufacture timber display boxes, produce and wine bins, pallets as well as a packaging service which includes over-stickering, delabelling and labelling wine bottles and general packaging services.

Business at Barossa Enterprises is booming, so there is now opportunity for Year 10 students to gain work and experience in our packaging and timber workshops.

Work opportunities exist for **motivated, reliable and available** school students:

- ✓ **Year 10 level**
- ✓ **Flexibility and availability for shifts is critical**
- ✓ **Mainstream work, paid at the Timber Award rate**
- ✓ **Learn new skills**
- ✓ **Supplied with work boots**
- ✓ **Understand the benefits of embracing diversity in the workplace**
- ✓ **Build up your CV with paid work and potential referees**

Some of the work will be conducted as additional shifts for 2 hours after school, from 4-6pm. Longer day shifts will be available during the school holidays. Flexibility of working hours is most important, as is continuity throughout the year. As a result, we're mainly seeking interested Year 10 students, **but if you're in Year 11 and still keen, please feel free to apply.**
